To Our Family And Friends

We thank our family & friends for the support they provide in our lives and in the creation of our happiness. We are grateful for the privilege of our education and freedom.

We thank our grandparents for passing on the joy & spoiling us. We appreciate our parents for being strict: teaching us the importance of respect and responsibility. Our friends show us the value of humor & trust. All together, everyone has encouraged us to have greater confidence in life. We are grateful for everything. Thank You for attending this day.
